Round 3 Series Points

Round 3 incorporates the State Championship and as such the Start list is compiled differently to encompass the Championship Age Groups.

You will note that next to your start time is your grade for the ITT Series.

Series Points for Round 3 will be calculated using the Electronic Timing at 20km for all riders (not Under 15) including those whose Championship distance is 30km.

Please also note that as in compliance with the ITT Series Regulations , some riders have been moved up as they have finished in the first 50% of the grade above them. Series regulations 3.4
